

CODE OF BEHAVIOUR – REVISED DECEMBER 2018

Section 1: Introduction

Our school aims to provide a happy, secure, friendly, learning environment, where children, parents, teachers, special needs assistants, ancillary staff and Board of Management work in partnership. Each individual is valued, encouraged and respected for their uniqueness and facilitated to reach their full potential in a positive atmosphere.

This will enable the child to live a full life and will equip him/her to avail himself/herself of further education so that he/she may go on to live a full life as an adult in society.

Staff members are committed to the realisation of these objectives. Our aim is to create a happy, secure environment for our pupils in which there is a sense of good order and a reasonable approach to discipline. In this way, a large group can be organised so that the school can operate smoothly for the benefit of all.

The code has been reviewed in consultation with the Parents Association, Staff, and the Board of Management of SS Peter and Paul JNS. A review of the code was undertaken with staff, finalised on the 17/12/2018, and with representatives of the Parents Association, finalised on 17/12/2018. This revised Code of Behaviour comes into effect on 7th January 2019. The code is mindful of the Curriculum, the school's Health and Safety Policy, Child Safeguarding Policy, Anti-Bullying Policy and Admissions Policy.

Section 2: Discipline for Learning (DFL)

In our school, we have a positive approach to teaching and learning. Positive rules for behaviour in class and out of class are learned by pupils at the beginning of their school year. Pupils are disciplined by being motivated to keep these rules.

The school community of SS Peter and Paul JNS have worked together to draw up a policy that encourages good discipline and positive behaviour. Children are given the opportunity to talk about the agreed rewards and sanctions during circle time / SPHE lessons. Sanctions are separate from rewards.

DFL Rewards

We have many ways of recognizing good behaviour and effect including individual class merits, praise in front on the class, awards, certificates in class, stamps, smiles, positive comments and homework passes. Teachers may also use the "Class Dojo" web-based classroom management system. Good behaviour and achievement will be recognised. Consistent positive influences are the key to success in our school.

At a whole school level, good, kind behaviour may be rewarded by a visit to another class or the Principal for commendation. At the end of every month, a number of children from a class may get a special mention over the school intercom for positive recognition. Class teachers may reward positive and kind behaviour with a form of token which are converted to stars. On receipt of 2 stars they are sent to the principal in recognition of achievement. Each class level will agree the number of tokens required to receive 1 star. Teachers acknowledge continuous good behaviour and good decisions by all children and use every opportunity to notice and praise good behaviour and good decisions on the part of children who find such decisions / behaviour difficult.

DFL Sanctions

1. Verbal reminder / reprimand
 - Gain attention
 - Name unwanted behaviour
 - Refer to desired behaviour
2. Second verbal reminder / reprimand
 - To the child on his / her own
 - Desired behaviour name
 - Reminder of consequence of further negative behaviour / next step of DFL
3. Draw / write about the consequences of negative behaviour for self / others
 - Reminder of consequence of further negative behaviour / next step of DFL
4. Thinking chair
 - Until ready to discuss behaviour with teacher (rule of thumb: one minute for every year of life)
 - When ready – apologise
5. Thinking chair in another class
 - Remain for agreed time or until sent for
 - If reached, this step is applied during any curricular / in-school activity
6. Principal's office
 - Reprimand and name in 'red book'
 - Parents notified on third offence noted in 'red book'.

From Sanction three onwards, further strategies may be used to show disapproval of unacceptable behaviour including:

- May result in loss of privileges. This includes trips, educational excursions and participation in school teams.
- Prescription of additional work
- Detention during break / lunch time

Should any of these strategies have been deemed necessary to apply, parents will be informed by note / homework journal / verbally when collecting the child.

Except for number 6, each day is a new beginning for sanctions.

Section 3: General Guidelines for Behaviour

All pupils are expected to behave in a reasonable manner both to themselves and to others, showing consideration, courtesy and respect for other pupils and adults at all times. Respect must be shown at all times. Respect must be shown for the property of the individual and of the school at all times.

Section 4: Code of Behaviour

The code of Behaviour covers the following areas:

- Behaviour in class
- Behaviour in the playground
- Behaviour in the school environment and behaviour on school outings
- Attendance at school/Education Welfare Act
- Homework

Behaviour in class

Courtesy and respect are essential. Disrespectful behaviour towards other pupils, a teacher or any member of our school community (e.g. defiance, cheek, insolence) is unacceptable. Pupils must respect the right of other pupils to learn. Any behaviour which interferes with this right (e.g. constant disruption of the class, persistent distracting of others) is considered unacceptable behaviour.

In order that pupils benefit from their work in class full co-operation is required at all times. Pupils must co-operate with instructions given by the teacher.

The Essential Classroom Rules

1. Be ready for class
2. Good manners are expected at all times
3. Always do your best and allow others to do the same
4. Raise hand wait for attention and listen to the person who is speaking
5. Take good care of personal and classroom property
6. Ensure you are safe in class and make it safe for others

Behaviour in the Playground

Pupils should treat others as they would like to be treated themselves. Any behaviour, whether physical or verbal, which threatens the safety and well-being of others is not permitted. This includes rough behaviour – including retaliation – such as fighting, kicking, spitting, pushing, shoving, dragging. Handling or throwing of stones is not permitted. Games or activities considered to be dangerous shall be prohibited.

Any behaviour which interferes with other pupil's play is not permitted. Pupils may not leave the playground for any reason during breaks without permission of the supervising teacher, this includes re-entering the school building.

The Essential out of Class Rules

1. Stay within the boundaries in yard
2. Play safely and fairly. Treat others fairly, the way you would like yourself to be treated
3. Keep yard and school environment litter free and tidy
4. Stay clear of fire alarm and respect all school property
5. Line up quickly and quietly and leave and return to your classroom in an orderly fashion.

Behaviour in the School Environment & Behaviour on School outings

Respect and courtesy to others is essential. Any kind of verbal or physical abuse of other pupils is unacceptable. Use of foul language among pupils is unacceptable. Bullying or intimidation of other pupils is prohibited and is always regarded as a serious offence. Pupils must show respect for school property at all times. For reasons of safety and to minimise accidents, pupils should move about the school in an orderly manner.

Pupils are encouraged to be respectful of each other on their way to and from school. When on school outings pupils are expected to behave in an orderly manner and show respect for public property. They should always co-operate fully with their teachers and special needs assistants.

Staged Approach to unacceptable behaviour

Unacceptable behaviour will be dealt with by means of a staged approach, as follows:

Stage 1

Unacceptable behaviour will be dealt with in line with our Discipline for Learning (DFL) approach. The Principal may in consultation with the class teacher call in the parents at any time to discuss a child's behaviour.

Stage 2 Booking Detention and Contract

If a pupil receives two detentions in any four school weeks the class teacher and pupil draw up a contract of behaviour. This contract will be signed in the presence of the Principal. A copy of the contract will be given to parents to also sign and return.

Stage 3 – Case Conference

If a pupil receives more than three detentions in any four school weeks, the child's parents will be asked to meet the class teacher and principal. The child will be asked to give an undertaking that he/she will behave in school. This will be witnessed and signed by parent(s) / guardian(s).

Stage 4 – Internal Suspension

Internal Suspension is when a pupil is removed from their own base class and is placed in another class for up to three school days. This will be activated when stages 1-3 are exhausted or when a serious misbehaviour occurs.

Stage 5 – Suspension / Expulsion

For gross misbehaviour or repeated instances of serious misbehaviour suspension will be considered. Aggressive, threatening or violent behaviour towards a member of staff or pupil will be regarded as serious or gross misbehaviour, depending on circumstances. The decision to suspend a pupil requires that any of the following are deemed to have occurred:

- The pupil's behaviour has had a serious detrimental effect on the education of other pupils
- The pupil's continued presence in the school at this time constitutes a threat to safety
- The pupil is responsible for serious damage to property

Where there are repeated instances of serious misbehaviour or an incident of gross misbehaviour, the Chairperson of the Board of Management will be informed and the parents will be requested in writing to attend at the school to meet the Chairperson and/or the Principal. If the parents do not give an undertaking that the pupil will behave in an acceptable manner in the future the pupil may have to be suspended for a temporary period. Suspension will be in accordance with the terms of Rule 130 (5) of the Rules for National Schools and the Education Welfare Act 2000.

In the case of gross misbehaviour, where it is necessary to ensure that order and discipline are maintained and to secure the safety of the pupils, the Board may authorise the Chairperson or Principal to sanction an immediate suspension for a period not exceeding three school days, pending a discussion of the matter with the parents.

Expulsion may be considered in an extreme case, in accordance with the Rules for National Schools and the Education Welfare Act 2000. Before suspending or expelling a pupil, the Board shall notify the National Educational Welfare Officer in writing in accordance with Section 21(4)(a) of the Education Welfare Act 2000. Suspension and expulsion from school is a sanction of last resort and will only take place in consultation with parents and in accordance with Department of Education and Skills guidelines.

There may be occasions where behaviour is deemed to be serious enough or due to repeated instances, to warrant immediate progression to a certain stage without prior recourse to earlier stages. In such instances, the need to adopt such an approach will be communicated to parent(s) / guardian(s) of child.

Appeal

Parents of a pupil who has been suspended for 20 school days or more are entitled under Section 29 of the Education Act 1998 to appeal such a suspension.

Removal of Suspension (Reinstatement)

Following or during a period of suspension, the parent/s may apply to have the pupil reinstated to the school. The parents must give a satisfactory undertaking that a suspended pupil will behave in accordance with the school code and the Principal must be satisfied that the pupil's reinstatement will not constitute a risk to the pupil's own safety or that of the other pupils or staff. The Principal will

facilitate the preparation of a behaviour plan for the pupil if required and will re-admit the pupil formally to the class.

Section 5: Attendance/Education Welfare Act

Under the Education Welfare Act 2000, absences or lateness must be explained by a brief note written in school journal / letter and signed by parent. Absences of 20 days or more must be referred by the school to the Education Welfare Board. The Education Welfare Officer is available to support parents with attendance issues. Children with hospital or dental appointments on an ongoing basis should give a copy of appointments to office secretary. Daily attendance and punctuality are required from pupils. School gates open to receive pupils at 9:00am each morning. Morning work bell rings at 9.20am. After a pupil has been absent, a note from the parents must always be brought to the class teacher within three days of the pupil's return to school. When a pupil has to leave school early (i.e. before 1.40pm for Junior and Senior Infants, 2.40pm for 1st and 2nd class) parents / responsible nominated representative of the parent must sign out pupils on a designated form in the Secretary's office. Please note, if a responsible representative of the parent is being nominated to collect the child, the parent must inform the school beforehand. Because of the risk to the safety of the individual pupil and risk of abuse, pupils are not permitted to leave the school during school hours unless they are collected from the school by a parent or a responsible representative of the parent. Parent / parent representative must present at the secretary's office if seeking to collect their child before official end of school day. An attendance committee meets termly in the school to review attendance. Please refer to School Attendance Policy.

Section 6: Homework

It is the policy of the school to assign homework on a regular basis. The time taken for this will vary from child to child, but should in most cases not exceed 15 minutes for Infants or 20 - 30 minutes for 1st and 2nd class. These times are a guideline for homework undertaken in a quiet atmosphere with no interruptions. Homework is recorded in the pupil's journal / homework copy for 1st and 2nd class. 1st and 2nd class parents should sign the homework journal / copy to confirm that the work has been fully attempted. Parents of infants should sign the homework to confirm that the work has been fully attempted.

If for some reason homework (or part of it) cannot be completed, parents are asked to note this in the homework journal / copy / note.

Generally, homework is not given at weekends. Written work must be done neatly and carefully. Graffiti on textbooks and copy books is not permitted. Please refer to the school Homework Policy for further information.

Section 7: School Uniform

All pupils must wear the school uniform. On days including scheduled physical activity, all students must wear trainers, have hair tied back, and small earrings only (for safety reasons). It is more comfortable for students, and advised, that they wear school tracksuit on these days.
