Five little sandcastles - lyrics

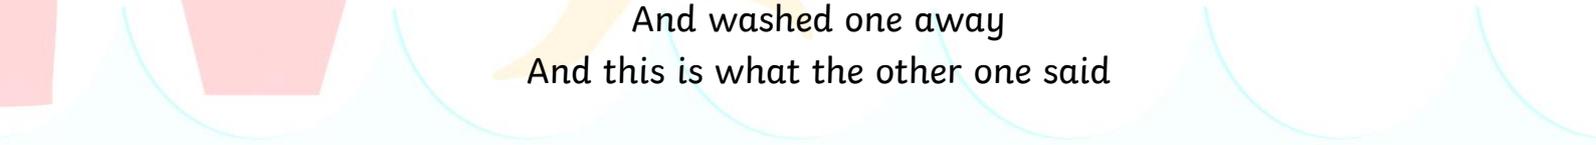

Five little sandcastles sitting on the beach,
Watching the boats go by,
Five little sandcastles sitting on the beach,
Watching the seagulls fly,
Five little sandcastles sitting on the beach,
Watching the clouds so high
When along came a wave
And washed one away
And this is what the other one said

Now we are,
Four little sandcastles sitting on the beach,
Watching the boats go by,
Four little sandcastles sitting on the beach,
Watching the seagulls fly,
Four little sandcastles sitting on the beach,
Watching the clouds so high
When along came a wave
And washed one away
And this is what the other one said

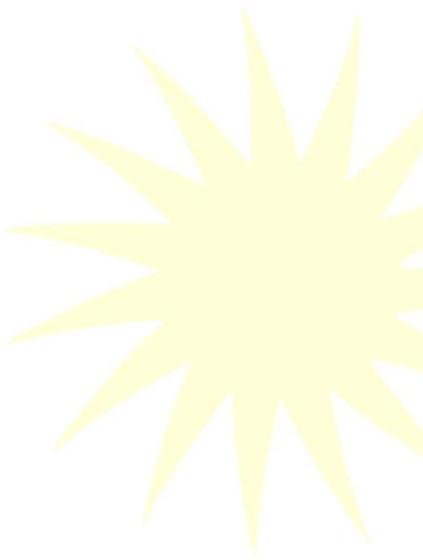

Now we are
Three little sandcastles sitting on the beach,
Watching the boats go by,
Three little sandcastles sitting on the beach,
Watching the seagulls fly,
Three little sandcastles sitting on the beach,
Watching the clouds so high
When along came a wave
And washed one away
And this is what the other one said

Now we are
Two little sandcastles sitting on the beach,
Watching the boats go by,
Two little sandcastles sitting on the beach,
Watching the seagulls fly,
Two little sandcastles sitting on the beach,
Watching the clouds so high
When along came a wave
And washed one away
And this is what the other one said

Now I am
One little sandcastle sitting on the beach,
Watching the boats go by,
One little sandcastle sitting on the beach,
Watching the seagulls fly,
One little sandcastle sitting on the beach,
Watching the clouds so high
When along came a wave
And washed it away
And now they have nothing to say.
